31 new works by 37 different authors added to PM World Library in September

PM World Collection grows to 944 project management articles, papers & other works by 503 different authors in more than 50 countries

12 September 2014 – Dallas, London, Sydney – PM World has announced that 31 new articles, papers and other original works about program and project management (P/PM) were added to the PM World Library (PMWL) in September. These contributions by 37 different authors in 17 countries were published in the September 2014 edition of the **PM World Journal** (PMWJ). They can now be found among the most recent papers, articles and book reports on the PMWL home page at www.pmworldlibrary.net.

The new additions bring the total in the PM World Collection to 944 original works by 503 different authors from 60 countries. The collection is growing each month by 30-40 new works by many different authors; of the 37 authors in August, 18 were new to the journal and library. All works in the PMWL can be accessed at <http://pmworldlibrary.net/pm-world-collection/>. Profiles of all authors in the library, along with access to their works, can be found at <http://pmworldlibrary.net/author-showcase/>.

According to PMWL Director **David Pells** (pictured), “The PMWJ continues to attract new authors, which is great. It seems to be fulfilling its mission to provide a vehicle for sharing knowledge about program and project management around the world. Plus the authors receive recognition and visibility, which they appreciate”

“The new authors are also happy to see their showcase pages and works appear in the library,” Pells adds. “The author showcase pages allow readers to find other works by individual authors more easily, and provide a place where authors can show more of their work to others.”

New authors in September include **Ahmed Al-Abri** (Oman), **Musallam Al-Awaid** (Oman), **Saeed Al-Shehhi** (Oman), **Giovanni Capozza** (Italy), **Vance Clarke** (USA), **James DeGenova** (USA), **Costanza Galastri** (USA/Italy), **Jerry Glasscock** (USA), **Aurangzeb Khan** (Pakistan), **Scott Lissit** (USA), **Andrew McCarty** (USA), **Blanche Mitchell** (USA), **Trevor Mpatsi** (South Africa), **Crispin “Kik” Piney** (France), **Miroslaw Skibniewski** (USA), **Stephen Strecker** (USA), **Brenda Yombo** (USA) and **Rocio Zelada** (Bolivia). New works from 19 authors already included in the library were also added.

In addition to original papers, 30+ news articles were added to the library archives this month, bringing the total to well over 1,000 articles. News archives can be

accessed at <http://pmworldlibrary.net/ppm-news/>. See archives of past editions of the PMWJ at <http://pmworldlibrary.net/ppm-journals-and-magazines/>.

The **PM World Library (PMWL)** is a global resource for continuous learning in portfolio, program and project management (P/PM). The PMWL is produced and maintained by PM World that also publishes the monthly **PM World Journal (PMWJ)**, a web-based monthly publication featuring dozens of articles, papers and news stories about projects and project management around the world.
