

**FOR IMMEDIATE RELEASE**

**30 new works by 36 different authors added to PM World Library in October**

***PM World Collection grows to 974 project management articles, papers & other works by 513 different authors in more than 50 countries***

10 October 2014 – Dallas, London, Sydney – PM World has announced that 30 new articles, papers and other original works about program and project management (P/PM) were added to the PM World Library (PMWL) this week. These contributions by 36 different authors in 19 countries were published in the October 2014 edition of the **PM World Journal** (PMWJ). They can now be found among the most recent papers, articles and book reports on the PMWL home page at [www.pmworldlibrary.net](http://www.pmworldlibrary.net).

The new additions bring the total in the PM World Collection to 974 original works by 513 different authors from 60+ countries. The collection is growing each month by 30-40 new works by many different authors; of the 36 authors in August, 10 were new to the journal and library. All works in the PMWL can be accessed at <http://pmworldlibrary.net/pm-world-collection/>. Profiles of all authors in the library, along with access to their works, can be found at <http://pmworldlibrary.net/author-showcase/>.

According to PMWL Director **David Pells**, “The PM World Library continues to grow rapidly, based on both new works each month as well as new authors sharing their work. The regular contributions by series authors and correspondents also add new knowledge and information monthly, and those contributors are all very experienced project management experts and leaders.”

“The mission of the journal is to support knowledge sharing, and that of the library to support continuous learning,” Pells adds. “In particular, we want to promote the sharing of knowledge with those in emerging countries, industries and organizations where advanced professional project management may be less common. We hope more people will embrace our mission and share their experience and knowledge through the PM World Journal and library.”

New authors in October include **Donncha Kavanagh** (Ireland), **Virgil Cordero** (USA), **Susan Hostetter** (USA), **Essam Lotffy** (UAE), **Hernan Peniche** (USA), **James Treat** (USA), **Dan Vickers** (USA) and **Yosep Asro Wain** (Indonesia). New works from 26 authors already included in the library were also added.

In addition to original papers, 30+ news articles were added to the library archives this month, bringing the total to well over 1,000 articles. News archives can be accessed at <http://pmworldlibrary.net/ppm-news/>. See archives of past editions of the PMWJ at <http://pmworldlibrary.net/ppm-journals-and-magazines/>.

The **PM World Library (PMWL)** is a global resource for continuous learning in portfolio, program and project management (P/PM). The PMWL is produced and maintained by PM World that also publishes the monthly **PM World Journal (PMWJ)**, a web-based monthly publication featuring dozens of articles, papers and news stories about projects and project management around the world.
