11th Edition of Kerzner’s classic Project Management textbook published in USA by Wiley

20 March 2013 – New York – Wiley has announced the publication of Project Management: A Systems Approach to Planning, Scheduling and Controlling, 11th Edition by Harold Kerzner, PhD. This updated edition of his best-selling project management "bible" for students and professionals has been carefully aligned with PMI’s latest release of their PMBOK Guide.

The book maintains the streamlined approach of prior editions and moves the content even closer to PMI' Project Management Body of Knowledge (PMBOK). This new edition offers new sections on added value, business intelligence, and project governance. It includes 400 discussion questions and more than 125 multiple-choice questions, and serves as an excellent study guide for the PMP Certification Exam. In addition it provides 25 case studies covering a variety of industries, almost all of which are real-world situations drawn from the author’s practice.

Harold Kerzner, PhD, of Boynton Beach, Florida, USA is Senior Executive Director for Project Management at International Institute of Learning, Inc. (IIL) -- a global learning solutions company offering professional training and consulting services worldwide. Dr. Kerzner’s profound effect on the project management industry inspired IIL to establish the Kerzner International Project Manager of the Year Award, which is presented to a distinguished PMP® or global equivalent each year. More recently, IIL donated $1 million to the Project Management Institute Educational Foundation (PMIEF) to establish the Dr. Harold Kerzner Scholarship Fund.
