## **Anton Setiawan completes Project Management Research Internship**

### ***Graduate student in European Masters in Strategic Project Management program completes internship for PM World Library***

27 May 2016 – Dallas, TX, USA and Milan, Italy – PM World has announced that **Mr. Anton Setiawan** has completed his project management research internship for the PM World Library (PMWL). Anton began his internship in January 2016 and completed the program this month. See his intern profile and research results at <http://pmworldjournal.net/anton-setiawan/>.

Anton Setiawan is currently pursuing his Erasmus Joint-Master's degree in Strategic Project Management European at Heriot-Watt University (UK), Politecnico di Milano (Italy), and Umeå University (Sweden). He holds a Bachelor's of Economic in Accountancy. During four years of professional experience, Anton has held titles such as Junior Financial Auditor, Senior Financial Auditor and Senior Corporate Finance.

The PMWL project management research program was launched in October 2015 to offer project management students the opportunity to conduct research and identify new resources for the library in exchange for recognition, visibility, five years of free access to the library, and introductions to others around the world. To learn more about this program and the dynamic project management students who are participating, go to <http://pmworldjournal.net/university-interns/>

According to David Pells, PMWL managing director, "Anton studied our requirements and very quickly understood the contribution process. He then conducted research and contributed some very interesting resources to the library. His work was high quality and very regular; it was actually rather hard to keep up with him."

Anton Setiawan stated, "I was surprised by how interesting the research internship became. Researching project management topics based on my personal interests made it more worthwhile, and I learned a lot about the project management field. Thank you for your support during my internship. I am grateful for the opportunity."

Pells added, "Anton was a good example of the talented students who are participating in the intern program. Most are highly motivated and delivering research results weekly. I want to thank Anton for his contributions and wish him good luck with his education and career."

Interns receive a Certificate of Completion and Letter of Recommendation on successful completion. Internship may or may not qualify for university credit (students are responsible for applying for university credit).
