Rahim Thompson, Senior Program Manager at the Illinois Holocaust Museum & Education Center, saw significant career benefits from his 2024 PMI recognition. “My employer was thrilled to showcase the work being done at the museum, and that visibility played a key role in my recent promotion to Senior Program Manager. I was also awarded a professional development budget, empowering me to expand my skill set and obtain certifications. Being recognized by PMI was a game-changer in my career—it reinforced the value of my contributions and reminded me that with continued effort, I have endless opportunities to grow and evolve as a project professional.”

HOW: Nominations can be submitted here: <https://www.pmi.org/about/awards>. There is no application fee to apply for any PMI Awards.
