At this time of the year, PMI Chapters in the region are offering several events comprising the traditional membership meetings and other events of interest to practitioners of project management.

PMI Nuevo Cuyo Chapter is holding during June a Conference called “Jornadas Cuyanas de Dirección de Proyectos”, in the cities of Mendoza and San Luis, with lectures on good practices of project management by well-known exhibitors like Jorge Gadze and Mauricio Garay, among others. During the Mendoza conference, there will also be a panel discussion related to Project Costs Management, which will be facilitated by Gustavo Albera, Past President of the PMI Nuevo Cuyo Chapter.

Such events spread and promote the profession in the region to raise awareness of the importance of properly managing projects to achieve results aligned with strategic objectives.
