

## Project Financial Management in Cartoons

By Almahdy Eltonsy

Over the years, I have had occasions to create some cartoons related to my work in project management. Here are some related to that critical aspect of project management – financial control (or often, the lack of it).

**Almahdy Eltonsy**, IPMA – B is a Senior Project Manager in the HealthCare industry, and the first healthcare PM granted the IPMA-B certification in Egypt. Starting with Siemens in 1993, Almahdy has extensive technical and managerial experiences, gaining the ability to work cross-functionally in a time-intensive environment. One of the most important milestones in Almahdy's project management career is Children's Cancer Hospital in Egypt (57357) ( [www.57357.com](http://www.57357.com) ), a 30 Million Euro Project. As a GPM for this strategic pivotal project, the scope was not only project management but also the service management, in addition to work with accreditation bodies.

In 2012 Almahdy moved to GE HealthCare to work as a product service manager for Surgery – X-Ray – Intervention – Ultrasound – Life Care solutions, using his experience in leading the service team with project management methodology. Almahdy's motive to change is to take a new challenge and exposure to new cultures and discipline, taking advantage of his technical and managerial skills and using the project management tool box in general management aspects.

In addition to his work in healthcare, Almahdy worked as an IT project developer with one of the largest media and advertising groups in Egypt. Almahdy was able to realize a new methodology and software for Media planning and advertising campaign planning. Almahdy holds a B.Sc. in Systems and Biomedical Engineering from Cairo University - Faculty of Engineering, and passed many specialized courses in Siemens, GE and Microsoft.
