By the end of the year 2015, the activity of PMI Argentina chapters strongly increases.

Along the months of September, October and November, in different regions of the country are held major international events.

On September 4th in La Plata, it was developed the "Argentina Congress of Project Management", organized by the PMI Buenos Aires Chapter, with the participation of leaders of PMI throughout the country.

The event started with the presentation of the Community Leader of La Plata, Lic. Marcelo Martin.

Later on, Eng. Gustavo Flouret made a presentation on "Strategic Management in organizations" and Lic. Alejandro Gabay spoke on "Risk Management in Agile", leading after that to a dissertation on "Maps capabilities and Enterprise Architecture" by Eng. Alejandro Bianchi.

The day ended with a presentation about "Great Conversations Coaching" by Martin Alaimo.

On September 16th, in the city of Buenos Aires, took place the conference on "Analysis of the business during the project life cycle" given by Ignacio Urteaga and Carlos Mari, and on September 24th in the City of Rosario, Province of Santa Fe, it was held the seventh edition of the "Rosario Conference of Project Management" with the presence of a great level of speakers and an audience that exceeds expectations year after year.

This year, I had the opportunity to participate in Rosario Conference presenting “Quality in Managing Project Requirements”, after the discourse of Gustavo Flouret on “Strategic Management and Project Management: The forgotten link”, then "Key Management Skills for the future of the Project Manager" by Esteban Guidobaldi and "Projects are globalized, but does it improve quality?" by Claudio Escandarani.

Regarding upcoming events, in the months of October and November we are going to develop in Argentina the most important Congress of Project Management of the region, called PMI Cono Sur Tour 2015.

This year, the PMI Tour Cono Sur in Buenos Aires will be on November 5th at the Auditorium of the City of Buenos Aires, in the beautiful neighborhood of La Recoleta.

The PMI Cono Sur Tour New Cuyo in Mendoza will be on November 6th at the National University of Cuyo and November 7th with an outdoor activity.

For the first time, the Project Management community of Cordoba city will also participate in this great PMI Tour Cono Sur 2015, with a Congress to be held on October 29th, and will be the point of meeting for project leaders and those interested in Project Management from the Mediterranean province of Argentina.
