Wideman Project Management Website updates announced for February 2016

1 February 2016 – Ontario, Canada – **Max Wideman** has announced updates to his popular project management website, www.maxwideman.com. According to Max (pictured right):

In his paper **Project Management Methodologies Explained**, our latest **Guest**, *Patrick Hankison*, draws a clear distinction between the project life span and the methodology best suited to creating the product. He then discusses various methodology options available for IT and similar type projects.

People ask: How do I get into project management? Max Wideman offers his advice, see **Answer to a Visitor's Inquiry** in **Musings**.

If you are looking for answers, guidelines or templates, check out Max's **Issacons** - "Issues and Considerations" - that are presented in bullet form for quick and easy reference by project managers.

Have you seen Max's book **A Management Framework for Project, Program and Portfolio Integration**? For information or to order a copy, visit http://www.maxwideman.com/papers/framework_book/intro.htm. Do you have a project management question? Find the answer at: <http://www.maxwideman.com>.
