Wideman Project Management Website updates announced

1 July 2016 – Ontario, Canada – **Max Wideman** has announced updates to his popular project management website, www.maxwideman.com. According to Max:

This month, **Guest Patrick Weaver** concludes with Part 2 of his paper in which he describes the four management layers that make up the **Project Delivery Capability** and its five levels of potential management maturity. It is climbing this ladder that brings home the added value.

In **Musings**, author *Kiron Bondale* presents some warnings and advice about **Crossing the Sector Expertise Chasm**, while *Max* does a reality check - on switching jobs from one industry to another.

If you are looking for answers, guidelines or templates, check out Max's **Issacons** - "Issues and Considerations" - that are presented in bullet form for quick and easy reference by project managers.

Have you seen Max's book **A Management Framework for Project, Program and Portfolio Integration**? For information or to order a copy, visit http://www.maxwideman.com/papers/framework_book/intro.htm. Do you have a project management question? Find the answer at: <http://www.maxwideman.com>.

Max Wideman is one of the world's best-known project management authorities. An engineer and professional project manager, his experience includes systems, social and environmental projects, as well as design and engineering projects. He is a Fellow of the Project Management Institute, of which he is past president and chairman and for which he led the development of the 1987 version of the Project Management Body of Knowledge. He is also a Fellow of the Institution of Civil Engineers (UK), the Engineering Institute of Canada, and the Canadian Society of Civil Engineering. His personal web site at <http://www.maxwideman.com> is a source of superior project management knowledge and information. It is free to the public.
