Masters - A Construction Project Management Company

Resource Provided by [Nitish Mohan](#)

16 July 2016 - Mumbai, India - A new resource has been added to the PM World Library related to project management products and services. The resource is an Indian construction project management company, “**Masters: A Project Management Company**”.

As Project Managers in the construction industry, Masters undertake a planned series of activities and design them in synchronization with their customer’s requirements, whenever they go on board with new projects. This includes overall planning, coordination, monitoring and controlling of a project from inception to completion in order to produce a functionally and financially viable project that will be completed on time, within authorized cost and to the required quality standards.

To access this new resource, go to <http://pmworldlibrary.net/ppm-products-and-services/>, click on P/PM Advisors and Consultants 2, scroll down to India and click on “**Masters: A Project Management Company**”. Free but must be registered and logged-in to access.

For PMWL Post
