

[New Resource in the Library](#)

A N Prakash – A Construction Project Management Company

Access to major Indian construction consultancy based in Bangalore added to PMWL

Resource Provided by [Nitish Mohan](#)

22 September 2016 - Mumbai, India - Access to a new resource has been added to the PM World Library related to project management products and services. The new resource is a project management service company based in India: “**A N Prakash**”.

A N Prakash provides comprehensive project management services across all construction disciplines to ensure timely, cost-effective and high quality deliverable.

Their Focus:

1. Project Optimization through timely advice on Time, Cost and Quality
2. Setting up control systems / framework for project success
3. Advisory role in stakeholder management - more as an adjudicator and mentor

Overall Project Management Services include:

- Project Management Advisory (PMA) covering the entire gamut of construction operations
- PMA with special focus on planning, tracking, reporting, quality auditing, and bill checking & certification through embedded control system
- Providing PMA services by overseeing project activities on a visit basis
- We achieve this through coaching and mentoring the client's / contractor's team
