## EMPCR - An Engineering Project Management Consultancy and Research Company

*Access to major Indian construction consultancy based in Chennai added to PMWL*

Resource Provided by [Nitish Mohan](#)

24 September 2016 - Mumbai, India - Access to a new resource has been added to the PM World Library related to project management products and services. The new resource is a project management service company based in India: “**EMPCR**”.

EMPCR, based in Chennai, India, is a professional Engineering and Project Management Consultancy company incubated by IIT Madras and formed with a vision “to enable a quality Indian Infrastructure development within time and budget through our Engineering, Project Management, Research and Training Services.”

Their Focus:

1. Tender advisory services
2. Recommendation of contractors & bid evaluation
3. Project Management – By periodical audits / Posting their project Engineer at site
4. Checking of measurements and bill certification
5. Monthly consolidated web based / Mobile phone MIS reports through their customized project management software (using principles of LEAN Construction)

To access this new resource, go to <http://pmworldlibrary.net/ppm-products-and-services/>, click on P/PM Advisors and Consultants2, scroll down to India to find this resource. Free, but must be registered and logged-in to access.
