## nTirePMS - A Project Management Software by Sunsmart

Resource Provided by [Nitish Mohan](#)

### **Access to India-based project management software tool added to PMWL**

29 September 2016 - Mumbai, India - Access to a new resource has been added to the PM World Library related to project management products and services. The new resource is a project management software system by Sunshine pvt ltd in India: **“nTirePMS - Project management Software”**.

nTIREPMS project management software is an intuitive, user friendly and cost effective web-based solution, ideal for multiple-user project management. Features include time tracking, reporting, email notification, Gantt charts, access rights, file attachment, calendar and data import/export. nTirePMS is a one-of-a-kind software system with number of unique features for managing day-to-day activities in a most user-friendly way with a high level of accuracy.

With nTirePMS, one can track any type of project including software, engineering, manufacturing, or any work that has to be planned and tracked in a hassle free and straight forward way.

To access this new resource, go to <http://pmworldlibrary.net/ppm-products-and-services/>, click on “P/PM Software, Tools and Technology Solutions”, scroll down to India to find this resource. Free, but must be registered and logged-in to access.
