TULS Corp - Project Management Company

Resource Provided by [Nitish Mohan](#)

9 October 2016 - Mumbai, India – Access to a new resource has been added to the PM World Library related to project management services. The resource is titled “**TULS Corp**”.

TULS Corp provides project management on behalf of the employer of the entire process necessary for the procurement of the design and the construction of a project, from briefing through to commissioning and occupation, taking into account the Employer's requirements in respect of aesthetics, quality, cost, time, etc.

Overall Project Management Services include:

- **Negotiating** - Negotiating and agreeing conditions of engagement with consultants.
- **Debrief** - Receiving a final brief from and analysing the Employer's need in detail.
- **Approvals** - Ensuring that statutory consents are obtained.
- **Budget** - Prepare Budget based on the project cost estimate prepared using approved Scheme and Design
- **Bid Management** - Arranging lists of tenderers, the tender opening and credit checks, co-ordinating reports on tenders and making recommendations to the Employer.
- **Planning and Scheduling** - Prepare manpower, equipment and other resources plan based on project requirement. Preparing Schedule of the project using latest software tools.
- **Project Monitoring** - Monitoring progress of the project as compared to the schedule and identify gaps and thereby strategic recommendations to overcome the gaps
