2017 Arras People Project Management Benchmark Report

Access to research report on issues affecting project management careers in UK added to PMWL

09 July 2017 – Almaty, Kazakhstan – A new resource has been added to the PM World Library related to Project Management Careers. The new resource is titled “2017 Arras People Project Management Benchmark Report”.

This annual research conducted by Arras People in the UK reports on current trends affecting programme and project management (PPM) jobs and careers: economic issues, remuneration in UK, PPM accreditation, PMO, project, portfolio, programme, change managers, project support. Survey data was collected from 2,021 UK based PPM Practitioners. PPM practitioners were asked a number of questions to understand their view about changes in legislation, gender equality, career opportunities, etc. The report also outlines current trends in PM.

To access this new resource, go to <https://pmworldlibrary.net/ppm-careers-and-jobs/>, click on “Careers in Project Management”, scroll down to find the report. Must be a registered and logged in member to access.
