*Editor's note: This book review was the result of a partnership between the publisher, PM World and the [PMI Dallas Chapter](#). Authors and publishers provide the books to PM World; books are delivered to the PMI Dallas Chapter, where they are offered free to PMI members to review; book reviews are published in the PM World Journal and PM World Library. PMI Dallas Chapter members can keep the books as well as claim PDUs for PMP recertification when their reviews are published. Chapter members are generally mid-career professionals, the audience for most project management books. If you are an author or publisher of a project management-related book, and would like the book reviewed through this program, please contact [editor@pmworldjournal.net](mailto:editor@pmworldjournal.net).*
