

How to Assess Legal Risk Management Practices

Access to new resource related to Legal Risk Management added to PMWL

Resource provided by [Stefano Castagna](#)

16 August 2017 – Milan, Italy – Access to a new resource has been added to the PM World Library related to project management in the legal field. The new resource is titled “How to Assess Legal Risk Management Practices”; and was published by the Association of Corporate Counsel.

This resource is a matrix which provides a checklist for best practices in the valuation of risk related to legal issues. It is also suitable for the “Project Legal Risk Management” of a company.

To access this new resource, go to the Industries and Organizations section of the library at <http://pmworldlibrary.net/industries-and-organizations/>, click on “Legal Field”, scroll down to resource. Must be a registered and logged-in as Free Trial, Professional or Scholar level member to access.
