

Managing Litigation Checklist

Access to new resource related to litigation project management added to PMWL

Resource provided by [Stefano Castagna](#)

28 August 2017 – New York, USA – Access to a new resource has been added to the PM World Library related to project management in the legal field. The new resource is titled “Managing Litigation Checklist”; it was published by Practical Law Litigation.

This resource provides a comprehensive checklist of to-dos for counsel in order to manage effective all phases of a case, from its assessment to budgeting, managing costs and settlement. The target client is a U.S. company.

To access this new resource, go to the Industries and Organizations section of the library at <http://pmworldlibrary.net/industries-and-organizations/>, click on “Legal Field”, scroll down to resource. Must be a registered and logged-in as Free Trial, Professional or Scholar level member to access.

For post in PMWL:
