

Using Legal Project Management to Drive Value

Access to another resource related to Legal Project Management added to PMWL

Resource provided by [Stefano Castagna](#)

19 September 2017 – New York, USA – Access to a new resource has been added to the PM World Library related to project management in the legal field. The new resource is titled “**Using Legal Project Management to Drive Value**”; it was published by the Association of Corporate Counsel.

This resource is a course overview presentation by Bill Garcia of Thompson Hine on the main aspects of project management for corporate counsels. It contains both theoretical notions and practical advice. It also contains useful models, such as a standard “*Request for Information and Statement of Qualifications*” letter. It also shows ideal process maps of arbitration and litigation proceedings.

To access this new resource, go to the Industries and Organizations section of the library at <http://pmworldlibrary.net/industries-and-organizations/>, click on “Legal Field”, scroll down to resource. Must be a registered and logged-in as Free Trial, Professional or Scholar level member to access.

For post in PMWL:

[Using Legal Project Management to Drive Value \(2017\)](#) – A presentation at a legal services course for the Association of Corporate Counsel with an overview of theoretical and practical tools for legal project management.
