

Key Issues in Legal Project Management

Access to new resource related to Legal Project Management added to PMWL

Resource provided by [Stefano Castagna](#)

25 September 2017 – New York, USA – Access to a new resource has been added to the PM World Library (PMWL) related to project management in the legal field. The new resource is titled “**A Developing Science: Key Issues in Legal Project Management**”. It was published in *Of Counsel* and authored by Jim Hassett, with the contributions of Steve Barrett, Jonathan Cooper and Elizabeth Harris.

The document here provided is an article adapted from “*Legal Project Management Quick Reference Guide*”, third edition. The author and contributors provide a quick list and analysis of the main aspects of legal project management that need to be addressed or improved, and more generally what issues a legal counsel might face in relation to project management.

To access this new resource, go to the Industries and Organizations section of the library at <http://pmworldlibrary.net/industries-and-organizations/>, click on “Legal Field”, scroll down to resource. Must be a registered and logged-in as Free Trial, Professional or Scholar level member to access.

For post in PMWL:

[A Developing Science: Key Issues in Legal Project Management \(2013\)](#) – An article from *Of Counsel* authored Jim Hassett and other contributors on current issues of legal project management.
