

## 10 Things Law Firms Need to Know about Implementing Legal Project Management

*Access to new resource related to Legal Project Management added to PMWL*

Resource provided by [Stefano Castagna](#)

5 October 2017 – New York, USA – Access to a new resource has been added to the PM World Library related to project management in the legal field. The new resource is titled “**Legal Project Management from the Inside: 10 Things Law Firm Leaders Need to Know about Implementing Legal Project Management**”; and was published in *Law Practice Today* and authored by Sheri Palomaki and Felice Wagner.

The resource gives quick and easy suggestions for a first implementation of project management techniques in the life of a law firm. Its aim is to help legal practitioners to enter the world of project management, and give them a sense of the spirit with which a lawyer should embrace the implementation of this science.

To access this new resource, go to the Industries and Organizations section of the library at <http://pmworldlibrary.net/industries-and-organizations/>, click on “Legal Field”, scroll down to resource. Must be a registered and logged-in as Free Trial, Professional or Scholar level member to access.
