23 October 2017 – New York, USA – Access to a new resource has been added to the PM World Library related to project management in the legal field. The new resource is the ACC, the Association of Corporate Counsel, a resource for anyone planning a major legal project or looking for project management resources for in-house counsel.

The Association of Corporate Counsel (ACC) is an entity created to aid and empower members in their daily job of representation of corporations. ACC is a vibrant and prolific professional association with chapters all over the world, representing over 40,000 corporate counsels. ACC furthermore sponsors 19 committees in different areas of law. The Association provides educational and networking tools in a vast spectrum of areas, including project management.

To access this new resource, go to the Industries and Organizations section of the library at <http://pmworldlibrary.net/industries-and-organizations/>, click on “Legal Field”, scroll down to resource. Must be a registered and logged-in as Free Trial, Professional or Scholar level member to access.
