Spain was represented at the PMI LIM in Chicago

This year ten Spanish project professionals attended the PMI LIM sessions. It has been a pleasure to see how the Spanish presence has been increased over the last years. The PMI Madrid Chapter was one of the three finalists of the PMI Chapter of the year Award. Unfortunately, it was not the winner, but the Chapter was honored to be so close to win. The PMI Madrid Chapter, founded on 2003, is counting with more than 1800 active members.

Alfonso Bucero was awarded with the PMI Eric Jenett Excellence Award

Alfonso Bucero, MSc, CPS, PMP, PMI-RMp, PfMp, PMI Fellow was recognized with the 2017 PMI Eric Jenett Excellence Award at the PMI Gala Dinner in Chicago on October 28th 2017. That award recognizes project professionals worldwide who contributed over the years to project management excellence. It was great to have 10 Spanish colleagues attending the Award ceremony.

That day was a good day but I want to continue moving forward in the profession because I am sure that tomorrow will be better. Our world need us as project managers. Encourage your people to do our profession better and better.
