33 new works by 36 authors added to PM World Library

PM World Collection grows to 2391 project management articles, papers & other works by 1,014 different authors in more than 65 countries

15 December 2017– Dallas, London, Sydney – PM World has announced that 33 new articles, papers and other original works about program and project management (P/PM) have been added to the PM World Library (PMWL) this month. These contributions by 33 different authors in 17 different countries were published in the December 2017 edition of the [PM World Journal](#) (PMWJ). They can now be found among the most recent papers, articles and book reviews on the PMWL home page at www.pmworldlibrary.net.

The new additions bring the total in the PM World Collection to 2,391 original works by 1,014 different authors in 65+ countries. The collection is growing each month by 20-30 new works from many different authors; of the 36 authors this month, 17 were new to the journal and library. Profiles of all authors in the library, along with access to their works, can be found at <http://pmworldlibrary.net/author-showcase/>.

According to PMWL Director David Pells, “We have again published some outstanding articles and papers in this edition. The biggest development however is the publication of 10 student papers this month, by graduate students studying project and programme management at SKEMA Business School in France. These have come to us courtesy of Prof Paul Giammalvo, adjunct professor for SKEMA’s contract management course and himself a frequent contributor to the PMWJ.”

New authors in December include Jonas Bencze (France/Germany), Tomas Blomquist (Sweden), Sarah Chaouche (France), Constance Dierickx (USA), Laura Faivre (France), Ilias Hafsi (Morocco), Kim Hylton-Reed (USA), David Kressin (USA), Amy Nguyen (France), Livinus Nweke (Nigeria), Nana Osei (Ghana), Sara Rifai (Morocco), Quan Sheng (China), Martin Smit (South Africa), Chiranjit Sonowal (India), Nils Wahlin (Sweden) and Xiaohua Zeng (China). New works from 19 authors already included in the library were also added.

“We also honored some excellent 2017 articles and papers,” Pells adds. “We launched our first Editor’s Choice Awards with this edition, which you can read about in my welcome editorial. It was also rewarding for me to go back through the last 12 editions of the PMWJ to find some outstanding works to recognize. Everyone should reread those 14 papers.”

The **PM World Library (PMWL)** is a global resource for continuous learning in portfolio, program and project management (P/PM). The PMWL is produced and maintained by PM World, Inc. that also publishes the monthly **PM World Journal (PMWJ)**, a digital monthly publication featuring dozens of articles, papers and news stories about projects and project management around the world. The PMWJ is registered with the US Library of Congress (ISSN: 2330-4480), has been published monthly since August 2012 and is indexed by EBSCO, one of the world’s largest providers of databases to libraries and universities.
