Resource provided by [Rajamahender Rapelly](#)

24 January 2018 – Mumbai, India – Access to a new resource has been added to the PM World Library on the subject of Consultancy services in Rail Transport in India. The new resource is titled “**Rites Limited - A Rail Consultancy Company**”.

Rites Limited was established in the year 1974 by the Government of India. It was earlier known as Rail India Technical and Economic service. It is a Public Limited Company and is governed by a Board of Directors which includes persons from various sectors of both engineering and management. It initially provided engineering consultancy services in rail transport management to operations both in India and abroad. It also provides consultancy services in various others fields like airports, ports, highways and other related technological fields.

RITES is internationally recognized as a leading consultant with operational experience in 62 countries in Africa, South East Asia, Middle East and Latin America. Most of the RITES foreign assignments are for National Governments and other apex organizations.
