The PMI Madrid Chapter celebrated its second professional Congress on November 23rd 2017

Around two hundred professionals joined the second PMI Madrid annual Congress in Madrid. Antonio Rodriguez Nieto (past PMI Global Chair) delivered a presentation about the value of Project management that was very well accepted by all the attendees. Other Keynote speaker was Ms. Milagros Mostaza from PMI Global. After those presentations, the attendees participated in a “cocktail” where they had the opportunity of “networking” among their professional colleagues. The PMI Madrid Chapter have been organizing two annual congresses since the last five years, and they are obtaining an exponential growth in attendance.

The PMI Madrid Chapter frequent activities got the number of volunteers and activities growing. The PMI Madrid Chapter provided added value to their membership. PMI Madrid Chapter activities started to grow since 2010 and they continue growing up every year. The PMI Madrid Chapter is fifteen years old now. Congratulations! The PMI Madrid Chapter was chosen this year as one of the finalists for the "PMI Chapter of the year Award". Ten Spanish professionals, current and past Chapter Board members, were together attending the PMI NA Global Congress in Chicago.

Unfortunately, the PMI Madrid Chapter was not the winner, but for all volunteers and board members, the year 2017 has been a great year the PMI Madrid Chapter. CONGRATULATIONS to all because of your achievements!

TODAY IS A GOOD DAY but TOMORROW WILL BE BETTER!
