## **35 new works by 40 authors added to PM World Library**

***PM World Collection grows to 2426 project management articles, papers & other works by 1,033 different authors in more than 65 countries***

15 January 2018 – Dallas, London, Sydney – PM World has announced that 35 new articles, papers and other original works about program and project management have been added to the PM World Library (PMWL) this month. These contributions by 40 different authors in 15 different countries were published in the January 2018 edition of the [PM World Journal \(PMWJ\)](#). They can now be found among the most recent papers, articles and book reviews on the PMWL home page at [www.pmworlplibary.net](http://www.pmworlplibary.net).

The new additions bring the total in the PM World Collection to 2,426 original works by 1,034 different authors in 65+ countries. The collection is growing each month by 25-35 new works from many different authors; of the 41 authors this month, 20 were new to the journal and library. Profiles of all authors in the library, along with access to their works, can be found at <http://pmworldlibrary.net/author-showcase/>.

According to PMWL Director David Pells, “This month’s journal included 11 featured papers and 10 student papers, all representing serious research by the authors. The student papers are again from graduate students at SKEMA Business School in France, at both their Paris and Lille campuses. We are delighted to share their work with our readers and members.”

New authors in January include Umair Abid (Canada), Nathan Agu (Nigeria), Uchenna Ajatar (Nigeria), Fidelis Ezeokoli (Nigeria), Clifford Gray (USA), Ardalan Honarmand (Canada), Ferdinand Huc (France), Jad Karakira (Lebanon), Marine Kuhn (France), Victor Labrousse (France), Marie Lanvin (France), Christelle Leonetti (France), Lucas Louf (France), Binny Malik (USA), Mats Malmstrom (Sweden/USA), Garielle O’Donovan (Ireland), Lore Paganet (France), Lucien Rock (France), Marta Santos (Brazil/USA) and Clemence Simon (France). New works from 20 authors already included in the library were also added.

“We also published more excellent articles, reports and book reviews,” Pells adds. “2018 is off to a great start, with good submittals for February coming in. I hope readers will visit the PMWL after reading this month’s edition of the PMWJ. Identify favorite authors, find their author showcase pages in the library, then check out their previous works.”

The **PM World Library (PMWL)** is a global resource for continuous learning in portfolio, program and project management (P/PM). The PMWL is produced and maintained by PM World, Inc. that also publishes the monthly **PM World Journal (PMWJ)**, a digital monthly publication featuring dozens of articles, papers and news stories about projects and project management around the world. The PMWJ is registered with the US Library of Congress (ISSN: 2330-4480), has been published monthly since August 2012 and is indexed by EBSCO, one of the world’s largest providers of databases to libraries and universities.
