14 February 2018 – Rome, Italy – Access to a new resource has been added to the PM World Library on the subject of the Project Management Education. The new resource is titled “Indian Institute of Management Ahmedabad, India”.

The two-year full-time Post-Graduate Programme in Management (PGP), rated as the toughest MBA programme in the world to get admission, is the flagship programme of IIMA. Its main objective is to develop young men and women into competent professional managers, capable of working in any sector of organized activity, proceeding leadership and achieving excellence in performance while contributing to the welfare of the larger society.

The programme specifically attempts to:

- Equip students with the required conceptual and interpersonal skills and sense of social purpose for managerial decision-making
- Develop leadership capabilities to act as change agents and be a source of motivation in the organizations they work in
- Nurture the desire to excel in performance without compromising integrity, honesty and fairness.

IIMA is known for the depth and rigour of the programme. The curriculum, reviewed and revised periodically, remains relevant and contemporary.
