38 new works by 46 authors added to PM World Library

PM World Collection grows to 2549 project management articles, papers & other works by 1,092 different authors in more than 65 countries

15 April 2018 – Dallas, London, Sydney – PM World has announced that 38 new articles, papers and other original works about program and project management (P/PM) have been added to the PM World Library (PMWL) this month. These contributions by 48 different authors in 18 different countries were published in the April 2018 edition of the [PM World Journal](#) (PMWJ). They can now be found among the most recent papers, articles and book reviews on the PMWL home page at www.pmworldlibrary.net.

The new additions bring the total in the PM World Collection to 2,549 original works by 1,092 different authors in 65+ countries. The collection is growing each month by 30+ new works from many different authors; of the 46 authors this month, 20 were new to the journal and library. Profiles of all authors in the library, along with access to their works, can be found at <http://pmworldlibrary.net/author-showcase/>.

According to PMWL Director David Pells, “We continue to attract authors from around the world who are willing to share their research, knowledge and experience with our readers. I’m happy to see original new works in many categories, including featured papers, interviews, advisories, commentaries, series articles, student papers and reports. Some authors are academic researchers; others are very experienced project management experts.”

New authors in April include Chloé Barroso (France), Joana Bértholo (Portugal), Alice Chiang (Taiwan/USA), Marie Dasque (France), Benjamin Diamond (USA), B.K. Gamble (USA), Louison Marguerite (France), Michael Marshall (USA), Charles Nnamdi Nonuju (Nigeria), Warlei Oliveira (Brazil), Léo Peigna (France), Louis Roland (France), Amélie Tonneau (France), Prof Festus Prince Okechukwu Ukwuoma (Nigeria), Shawn Waghorn (USA), Manon Wambre (France), Huiru Wang (China/France), Xiyuan Wu (China/France) and Melissa Zahn (USA). New works from 26 authors already included in the library were also added.

“We’re continuing to publish many student papers, primarily from graduate students at SKEMA campuses in France,” Pells adds. “We’ve also launched book review programs at PMI chapters in San Antonio, Texas and Silver Spring, Maryland this year, so publishing more book reviews. It’s all good stuff and always interesting!”

The **PM World Library (PMWL)** is a global resource for continuous learning in portfolio, program and project management (P/PM). The PMWL is produced and maintained by PM World, Inc. that also publishes the monthly **PM World Journal (PMWJ)**, a digital monthly publication featuring dozens of articles, papers and news

stories about projects and project management around the world. The PMWJ is registered with the US Library of Congress (ISSN: 2330-4480), has been published monthly since August 2012 and is indexed by EBSCO, one of the world's largest providers of databases to libraries and universities.
