44 new works by 48 authors added to PM World Library in July

PM World Collection grows to 2680 project management articles, papers & other works by 1,170 different authors in more than 65 countries

15 July 2018 – Dallas, London, Sydney – PM World has announced that 44 new articles, papers and other original works about program and project management (P/PM) have been added to the PM World Library (PMWL) this month. These contributions by 48 different authors representing 17 countries were published in the July 2018 edition of the [PM World Journal](#) (PMWJ). They can now be found among the most recent papers, articles and book reviews on the PMWL home page at www.peworldlibrary.net.

The new additions bring the total in the PM World Collection to 2,680 original works by 1,170 different authors in 65+ countries. The collection is growing each month by 35+ new works from many different authors; of the 48 authors this month, 24 were new to the journal and library. Profiles of all authors in the library, along with access to their works, can be found at <http://peworldlibrary.net/author-showcase/>.

According to PMWL Director David Pells, “With the increasing number of student papers and book reviews coming in, we are adding more new works and authors every month now. It’s a good trend. New knowledge related to project management is created in many ways; we welcome these new contributions by authors around the world, both young and more experienced.”

New authors in July included Mikael Abouardham (France), Maryem Banachour (France), Lisa Brooks (USA), Kemberly Brown (USA), Xingshi Guo (China/France), Dirk Huck (USA), Mattias Jacobsson (Sweden), Montrae Jemison (USA), Abhinay Jha (India/France), Sacha Lefils (France), Charlotte McKenzie (USA), Yashwanth Mula (India/France), Chicheta Nissi (Nigeria), Regina Parks (USA), Curt Rashke (USA), Adriane Rivers (USA), Dale Roberts (UK), Peter Rogers (USA), Julian Van den Berg (Australia), Sani Venkatesan (USA), Yang Xu (China), Yu Yanjuan (China) and Rui Zheng (China/France). New works from 24 authors already included in the library were also added.

“All of the works this month are worth reading,” Pells adds. “Please see the series articles and reports for significant new works by our regular contributors, all of whom are very experienced thought leaders. Then read the new articles and featured papers. Support our authors; read their work.”

The **PM World Library (PMWL)** is a global resource for continuous learning in portfolio, program and project management (P/PM). The PMWL is produced and

maintained by PM World, Inc. that also publishes the monthly ***PM World Journal (PMWJ)***, a digital monthly publication featuring dozens of articles, papers and news stories about projects and project management around the world. The PMWJ is registered with the US Library of Congress (ISSN: 2330-4480), has been published monthly since August 2012 and is indexed by EBSCO, one of the world's largest providers of databases to libraries and universities.
