PMI Madrid Chapter membership monthly meeting – Madrid, July 30th, 2018

Last July 30th, 2018, the PMI Madrid Spain Chapter celebrated its membership monthly meeting at Microsoft Offices – Pozuelo (La Finca) in Madrid. In spite of business is very slow in Spain during summer months like July and August, this time we were very well surprised by the number of attendees, about 140 people (almost 100 on site attendees and about forty more on line).

Guillermo López Moratinos

The event program was as follows:

Event introduction – Jesús Vazquez (Second Vice president from PMI Madrid Chapter) welcomed all the attendees and opened the session.

1ª Session: YOUR WORDS MAKE A DIFFERENCE. Presented by Alfonso Bucero (BUCERO PM Consulting)

2ª Session: THE LIQUID ORGANIZATION. Delivered by Guillermo López Moratinos (ACCENTURE)

Mr. Lopez Moratinos spoke about THE LIQUID ORGANIZATION. In a very fluid presentation Guillermo explained to the audience the concept and theory of the LIQUID ORGANIZATION by providing some customer examples and real cases. This presentation was very well received by the audience that reacted positively asking some questions about this philosophy implementation on the twenty first century organizations, and its implication in the project management field.

Alfonso Bucero delivered his presentation “YOUR WORDS MAKE A DIFERENCE”. A talk based on how careful a project manager needs to be when addressing his/her team, boss or customer and to any other project stakeholder. He spoke about the importance the words may have and the positive or negative impact that may have in the audience, by providing examples, tips and best practices from real case studies.

The event was closed by Mr. Jesús Vázquez (Second Vice president from PMI Madrid Chapter) welcoming the new PMPs and reviewing the meetings plan for next months, from September 2018. The PMI Madrid Spain Chapter still counts on 1800 members.

Today is a good day but with your effort and hard work tomorrow will be better!
