29 January 2019 – Akure, Ondo State, Nigeria – Access to a new resource has been added to the PM World Library (PMWL) related to Project Scope. The new resource is titled “**Becoming a Risk Hero**”, and article by Sean Lowe published in *Project Times* in 2018.

This resource highlights Seven (7) tips/steps to becoming a successful Risk Manager which results in an informed, educated and timely approach to project risk management. These steps are:

- Understand Company Risk Climate,
- Understand Your Project’s Strategic Fit,
- Ensure the Right Players and Stakeholders Are Engaged,
- Secure Buy-In From Key Players and Stakeholders,
- Consider Supply and Demand Issues,
- Establish Clear Risk Ownership, and
- Utilize Risk Lessons Learned and Historical Documentation.

To access this new resource, go to the (Applications and Hot Topics) section of the library at <https://pmworldlibrary.net/applications-and-topics/>, click on “Risk Management”, scroll down to articles. Must be a registered member and logged-in to access.
