

## Closing a Project: What, When and How

**Access to new resource related to project termination added to PMWL**

[Resource provided by Tony Itodo](#)

10 February 2019 – Akure, Ondo State, Nigeria – Access to a new resource has been added to the PM World Library (PMWL) related to project termination. The new resource is titled “**Closing a Project: What, When and How**”, an article by Bola Adesope and published in *PM Times* in 2018.

This resource deals with **What Does It Mean To Close A Project? When Is A Project Closed?** (divided into three), listed as When The Project Has Delivered All The Objectives And/Or RESULTS, When The Objectives Of The Project Can't Be Met Again, And When The Objective of the Project Is No Longer Needed), and **How To Close A Project** (which is divided into; Closing A Project When Objectives Were Met, and Closing A Project When Objectives Were/Cannot Be Met).

To access this new resource, go to the Applications and Hot Topics section of the library at <https://pmworldlibrary.net/applications-and-topics/>, scroll down and click on “Termination, Shutdown, Closure”, scroll down to articles. Must be a registered member and logged-in to access.

*This new resource provided through the PMWL university research internship program; [to learn more, click here](#)*
