

Last call for the IPMA Global Research Award

Share the Story about your research project excellence

29 April 2019 – Zurich, Switzerland – The International Project Management Association has issued its final call for nominations for their 2019 Global Research Awards, per the following:

Apply in one of two categories:

■ IPMA Global Young Researcher Award

Recognising outstanding research by a young researcher (someone under 36 years old or less than 10 years involvement in research).

■ IPMA Global Research Award

Recognising an outstanding research project from a researcher or research team.

Apply to receive:

- international visibility within the research community
- recognition for a contribution to the development of the project, programme and portfolio management discipline
- opportunity to cooperate with researchers from different countries and fields

Simply:

- submit an application by 20th May
- present your achievement to a panel of international judges
- prepare yourself to participate in **7th IPMA Research Conference in Zagreb on 4th–7th September 2019**
