

Harshit Madan joins PMWL research team in Mumbai

Graduate student at SDA Bocconi Asia Center joins PM World Library internship program

14 April 2019 – Dallas, TX, USA and Mumbai, India – PM World has announced the appointment of **Mr Harshit Madan** as a project management research intern for the PM World Library. Harshit is currently pursuing his IMB (International Master in Business) degree at SDA Bocconi Asia Center, India. He holds a Bachelor's of Engineering degree in Electronics Engineering from Mumbai University (Maharashtra, India), where he studied from 2011-2015.

Harshit had a work experience of 30 months as Software Engineer - Software Developer. During his stint, he was responsible for Website Development, testing the same, deployments in Production, full stack development and also database handling and management and monitored the performance of the application including on-line and batch processes for different projects for the organization. He also came up with innovative ideas to address the issues of the functional aspects of the Business unit.

Major Field of Study: Marketing and Business Administration. Research interests: Project Management, Strategy Management, Supply Chain and International logistics, Risk Management, Digital Marketing, Marketing Strategies, Investment.

PM World offers virtual project management research internships to university students worldwide who are studying project management at recognized universities. Internships offer students an opportunity to research specific program/project management topics, network with other interns, gain significant visibility and contribute to PM World's dual missions of knowledge sharing and continuous learning. On completion, they receive a certificate, letter of reference and five years of free PMWL membership. To see participating interns, go to <http://pmworldlibrary.net/university-interns/>
