

From the Sponsor's Desk - Managing a Project's Conversations

Access to new resource related to project communication management added to PMWL

[Resource provided by Tony Itodo](#)

10 May 2019 – Akure, Ondo State, Nigeria – Access to a new resource has been added to the PM World Library (PMWL) related to Project Communication. The new resource is titled “**From the Sponsor's Desk - Managing a Project's Conversations**”, and is an article by Drew Davison published in PM Times in 2019.

This resource draws from the experience of a project manager on how - through effective communication - he was able to successfully complete the project assigned to him by application of the following factors:

- Building and sustaining key stakeholder relationships
- Acquiring the right skills and capabilities
- Selecting application and technology platforms
- Phasing delivery and staging rollout
- Applying change management practices
- Managing risk
- Building a high performance team
- Managing scope
- Controlling progress

To access this new resource, go to the Applications and Hot Topics section of the library at <https://pmworldlibrary.net/applications-and-topics/>, click on “Communication”, scroll down to articles and blogs. Must be a registered member and logged-in to access.

This new resource provided through the PMWL university research internship program; [to learn more, click here](#)

For PMWL Post
