23 May 2019 – Akure, Ondo State, Nigeria – Access to a new resource has been added to the PM World Library (PMWL) related to project teamwork and leadership. The new resource is an article titled “5 Ways to Boost Your Team's Productivity”, by Marie Fincher and published in *PM Times* in January 2019.

This resource gives insight into the importance of effective teamwork and how to boost team’s productivity and increase their engagement through the following ways:

- Be a Great Leader
- Organize Team Building Activities
- Remove Toxic Employees
- Improve Communication Skills of your Team Members
- Build the Strengths of your Team Members

To access this new resource, go to the Applications and Hot Topics section of the library at <https://pmworldlibrary.net/applications-and-topics/>, scroll down and click on “Teamwork and Team Leadership”, scroll down to resource. Must be a registered member and logged-in to access.

This new resource provided through the PMWL university research internship program; [to learn more, click here](#)
