33 new works by 37 authors added to PMWL

PM World Collection grows to 3,098 project management articles, papers & other works by 1,384 different authors in more than 65 countries

15 June 2019 – Dallas, London, Sydney – PM World has announced that 33 new articles, papers and other original works about program and project management (P/PM) have been added to the PM World Library (PMWL) this month. These contributions by 37 different authors representing 14 countries were published in the June 2019 edition of the [PM World Journal](http://www.pmworldjournal.net) (PMWJ). They can now be found among the most recent papers, articles and book reviews on the PMWL home page at www.pmworldlibrary.net.

The new additions bring the total in the PM World Collection to 3,098 original works by 1,384 different authors in 65+ countries. The collection is growing each month by 30+ new works from many different authors; of the 37 authors this month, 21 were new to the journal and library. Profiles of all authors in the library, along with access to their works, can be found at <http://pmworldlibrary.net/author-showcase/>.

According to PMWL Director David Pells, “We published 12 student papers this month, five as featured papers and seven in the student papers category. These are interesting research papers by bright and motivated young grad students, often on new topics and always offering fresh perspectives. Don’t bypass these works when reading the journal.”

New authors in June included. Viktoriy Abylova (Kazakhstan), Florence Alliod (France), Lise Bouley (France), Léa Chenu (France), Keith Dever (USA), Tanguy Feuillet (France), Prof. Dr.-Ing. Holger Günzel (Germany), Céline Julia (France), Özüm Öyküm Katli (Turkey), Ankith Karkera (India), Sylvia Kerscher (Germany), Alexandra Klébé (France), Zineb Lahreche (Morocco/France), Thelma Philippe-Gérard (France), Dr. Leila Salykova (Kazakhstan), Ajay Shenoy (India), Audrey Tonkovic (France), Shivan Tyagi (India/France), Dr. Lyudmila Voropaeva (Russia), Dr. Tatiana Yurieva (Russia) and Wantong Zhao (China). New works from 16 authors already included in the library were also added.

“We have launched a new series of articles by Alan Stretton,” Pells adds. “Alan continues to write on important topics, always offering new insights based on his decades of industry experience and research. His first article this month introduces the topic of the ‘contexts that impact the management of projects’ with a new and highly useful model. Also, don’t miss the interesting interviews, articles, reports and second editions – three more papers presented at the April PM conference in Riga that are republished in the PMWJ this month.”

The **PM World Library (PMWL)** is a global resource for continuous learning in portfolio, program and project management (P/PM). The PMWL is produced and maintained by PM World, Inc. that also publishes the monthly **PM World Journal (PMWJ)**, a digital monthly publication featuring dozens of articles, papers and news stories about projects and project management around the world. The PMWJ is registered with the US Library of Congress (ISSN: 2330-4480), has been published monthly since August 2012 and is indexed by EBSCO, one of the world’s largest providers of databases to libraries and universities.
