

Wideman PM Website updates announced for August 2019

PM EDUCATION NEWS

1 August 2019 – Ontario, Canada – **Max Wideman** has announced updates to his popular and educational project management website, www.maxwideman.com. According to Max:

Guests: The Mysterious S-curve, 4th Edition Part 2 by *David Garland*. This month David explains how various types of S-curves can be generated.

Musings: *Dan Pedersen* asks how did the reality of Matrix organizations get missed in the development of the original PMBOK? Max tries to answer.

Project management tip of the month - The fish-bone principle: If you have a bone to pick with someone, it's probably fishy.

If you are looking for answers, guidelines or templates, check out Max's **Issacons** - "Issues and Considerations" - that are presented in bullet form for quick and easy reference by project managers.

Have you seen Max's book **A Management Framework for Project, Program and Portfolio Integration**? For information or to order a copy, visit http://www.maxwideman.com/papers/framework_book/intro.htm. Do you have a project management question? Find the answer at: <http://www.maxwideman.com>.

Max Wideman is one of the world's best-known project management authorities. An engineer and professional project manager, his experience includes systems, social and environmental projects, as well as design and engineering projects. He is a Fellow of the Project Management Institute, of which he is past president and chairman and for which he led the development of the 1987 version of the Project Management Body of Knowledge. He is also a Fellow of the Institution of Civil Engineers (UK), the Engineering Institute of Canada, and the Canadian Society of Civil Engineering.

His personal web site at <http://www.maxwideman.com> is a source of superior project management knowledge and information. It is free to the public.
