6 February 2020 – Mumbai, India – Access to a new resource has been added to the PM World Library (PMWL) related to Innovation Management. The new resource is titled “**Managing Your Innovation Portfolio**” and is a Harvard Business Review reprint by Monitor Deloitte and published in 2012.

The report talks about constructing a portfolio that produces the highest overall return that’s in keeping with appetite for risk. In this rapidly transforming era every firm thrives to innovate to stay competitive. The innovation in a firm is divided into Core, Adjacent and Transformational innovation. The report further answers the following questions:

- How pursuing the new (innovation) can add up to a strategy
- Role of core, adjacent and transformational initiatives in a firm’s success
- Breakdown of investments into core, adjacent and transformational initiatives and their pay off
- Organizing and managing a total innovation system

To access this new resource, go to the PM Applications and Hot Topics section of the library at <https://pmworldlibrary.net/applications-and-topics/>, click on “Innovation and Project Management”, scroll down to resource. Must be a registered trial, student or full member and logged-in to access.
