

## Wideman PM Website updates announced for March 2020

### PM EDUCATION NEWS

1 March 2020 – Ontario, Canada – **Max Wideman** has announced updates to his popular project management website, [www.maxwideman.com](http://www.maxwideman.com). According to Max:

This month we've posted the following:

**Papers:** A Book Recommendation on *The Art of Positive Politics. A Key to Delivering Successful Projects* (by *Vijay K. Verma*). This paper describes how to handle negative comments by promoting your own project and presenting a positive image.

**Musings:** Max reports on *David Pells' PMI's history of dealing with Climate Change*, and a call to action by PMI Fellows from around the world.

**Project management tip of the month:** The Expectation principle: If it isn't clear what is required, then don't be disappointed if you don't get it!

If you are looking for answers, guidelines or templates, check out Max's **Issacons** - "Issues and Considerations" - that are presented in bullet form for quick and easy reference by project managers.

Have you seen Max's book ***A Management Framework for Project, Program and Portfolio Integration***? For information or to order a copy, visit [http://www.maxwideman.com/papers/framework\\_book/intro.htm](http://www.maxwideman.com/papers/framework_book/intro.htm). Do you have a project management question? Find the answer at: <http://www.maxwideman.com>.

**Max Wideman** is one of the world's best-known project management authorities. An engineer and professional project manager, his experience includes systems, social and environmental projects, as well as design and engineering projects. He is a Fellow of the Project Management Institute, of which he is past president and chairman and for which he led the development of the 1987 version of the Project Management Body of Knowledge. He is also a Fellow of the Institution of Civil Engineers (UK), the Engineering Institute of Canada, and the Canadian Society of Civil Engineering.

His personal web site at <http://www.maxwideman.com> is a source of superior project management knowledge and information. It is free to the public.
