15 March 2020 – Dallas, London, Sydney – PM World has announced that 21 new articles, papers and other original works about program and project management have been added to the PM World Library (PMWL) this month. These contributions by 25 different authors representing 15 countries were published in the March 2020 edition of the *PM World Journal* (PMWJ) at <https://pmworldjournal.com/>. They can now be found among the most recent papers, articles and book reviews on the PMWL home page at <https://pmworldlibrary.net/>.

The new additions bring the total in the PM World Collection to 3,442 original works by 1,527 different authors in 70+ countries. The collection is growing each month by 20-30 new works from many different authors; of the 21 authors this month, 9 were new to the journal and library. Profiles of all authors in the library, along with access to their works, can be found at <http://pmworldlibrary.net/author-showcase/>.

According to PMWL Director David Pells, “We welcomed new authors from six different countries this month. Many of our authors are from countries where underdeveloped economies are now emerging. The paper about project scope management in telecommunications projects in Somaliland demonstrate that project management concepts and challenges are similar in many parts of the world. We can all learn from others, which reinforces the importance of continuous learning in the PM field.”

New authors this month include Sakariye Mahamed Abdilahi (Somaliland), Leonardo Grandinetti Chaves (Brazil), Eze Chukwu David (Nigeria), Funke Adebeye Fakunle (Nigeria), Adebeye Adebeye Fashina (Somaliland), Ida Harding (USA), Angelica Larios (Mexico), Nnamdi Josiah Onyili (Nigeria), Leticia Peevy (USA) and Benito Agus Putranto (Indonesia). New works from 13 authors already included in the library were also added.

“This month’s edition contains a wonderful personal story,” Pells adds. “Ida Harding, a well-known PMI leader in Southern California, has shared the story of her involvement with Wells Bring Hope, a California-based charity that raises money and sponsors the drilling of fresh water wells in Niger, one of the world’s poorest countries. Her story includes some amazing photos and personal experiences during travel to the landlocked West African country.”
