

Honorary Global Advisor – P/PM Profession

Alexandr Tovb

President, Russian Project Management Association SOVNET
Honorary Fellow, Former Vice President, Certification Assessor, IPMA
Associate Professor at the National University of Science and Technology and
Moscow Lomonosov State University, Russia
Chief Editor, *Project and Program Management* journal

Moscow, Russia

Alexandr Tovb is president of the Russian Project Management Association SOVNET and Chief editor of the “*Project and Program Management*” journal published in Russian since 2005. Alexandr is a project manager with over 45 years of experience in a variety of organizations and industries, primarily associated with IT projects.

Mr. Tovb served as vice president of the International Project Management Association (IPMA) responsible for Certification in 2009-2010, for Administration and Finance in 2011-2012, and as IPMA Certification Validation Management Board Member in 2013-14. He is IPMA Certified Senior Project Manager Level B from 1999 and an actual Assessor for IPMA 4LC IPMA certification in Russia from 2003. He is the First Foreign Assessor for IPMA Delta certification from 2010 and First Assessor for IPMA Certification of Project Management Consultants.

Mr. Tovb is Associate Professor of the National University of Science and Technology MISiS teaching Project Management for Bachelors’ and Masters’ degree students in the Graduate School of Business in Moscow Lomonosov State University; he also performs coaching, trainings, seminars, courses, workshops and master-classes on project management.

Alexandr Tovb is IPMA Honorary Fellow and Advisory Committee Member from 2017 and was awarded a National Gold Medal for Scientific and Technical Achievements in the year 1982, for success in the research, development and

implementation of one of the computer controls for flexible manufacturing systems in the Soviet aircraft industry.

Mr. Tovb has published numerous articles on project management, presented papers and made presentations at PM professional congresses, conferences, seminars and events in Europe, India, China, Japan, Australia and Russia. He is the co-author of the books "*Project Management: Standards, Methods, Experience*" (Olimp-Business, Moscow, 2003) and "*Project Management in Practice of the Modern Company*" (Olimp-Business, Moscow, 2006), "*Projects and Project Management in a Modern Company*" (Olimp-Business, Moscow, 2009, 2010, 2014 textbook 480 pages) and about 70 articles.

Alexander Tovb was previously an International Correspondent of PMForum and *PM World Today* during 2006-2012, based in Moscow, Russia. He was a member of the Core Team that developed a new IPMA Standard "*Individual Competence Baseline ICB version 4*", and Member of the Committee on Scientific and Technical Innovation and High Technology of the Chamber of Commerce of the Russian Federation.

Mr. Tovb was Chairman of the Organizing Committee for the SOVNET international project management symposiums in Saint Petersburg, Russia in May 2005 and in Nizhniy Novgorod, Russia in February 2007. He is the Chairman of the Organizing Committee for the 32nd IPMA World Congress to be held in Saint Petersburg, Russia in 2020.
