Starting immediately, the Project Business Foundation (PBF) is offering a limited number of **fully-funded scholarships** to professionals striving to achieve the qualification as ACE. This qualification as

Approved Consultant & Educator in Project Business Management

is a documentation of the highest level of expertise in Project Business Management and an entry ticket to a high-value international market.

The fully-funded scholarships will include:

- *1-Year Affiliate Membership (Gold) with the Project Business Foundation*
- *The full ACE qualification process, with individual guidance by a qualified assessor*

The Project Business Foundation is offering these fully-funded scholarships to

Two qualified candidates per continent.

Please find the prerequisites for an application [here](#) and more information on the benefits and program contents [here](#).

Please apply for the scholarship [here](#). The deadline for applications is **April 30, 2020**.

This qualification program is **fully virtual** and requires no physical presence in a dedicated location. Thus, it is perfectly suited with current Corona crisis-related measures and people practicing social distancing.

Project Business Foundation CEO Martin Berneburg says: "With the COVID-19 pandemic putting a hard economic squeeze on consultants and trainers in the project management field, the Project Business Foundation (PBF) has decided to do its part in helping the global PM/PBM community. Many colleagues are in a dire financial situation, and we are looking to help as much as we can by opening the door via a coveted qualification to a high-value and understaffed international market. This is why we agreed to make two fully-paid scholarships available per continent, as the world and we all are in this pandemic together."
