2018 Editor's Choice Awards – Articles Category

Awards announced for articles published in the PM World Journal during 2018

15 February 2019 – Dallas, London, Sydney – PM World has announced the winners of Editor's Choice Awards for articles published in the *PM World Journal* (PMWJ) during 2018. A total of 99 original articles were published in the PMWJ in 2018, in the series articles, advisories, commentaries and creative works categories. Seven articles by authors in four countries were selected for the 2018 awards.

Editor's Choice Awards are selected each year by the Managing Editor of the PMWJ based on originality, potential impact on the practice and profession of program/project management, and quality of the work. All articles published in the PMWJ are highly original, very interesting and useful to many readers, and some are quite entertaining. To learn more about PMWJ Author Awards, visit <https://peworldjournal.net/pmwj-author-awards/>

Winners of the 2018 PMWJ Editor's Choice Awards in the Articles category were the following, with title, author's name, location and date published in the PMWJ shown (click on title to read any article):

1. [Ineffective Risk Management and the collapse of Carillion](#), Commentary article by Dr. Robert Chapman (UK), December 2018
2. [Strategy execution: Overcoming the alignment trap \(Advances in Project Management\)](#), Series article by Prof Darren Dalcher (UK), May 2018
3. [Projects as Profit Centers – Must we go back to Square One Again?](#) Series article by Oliver Lehmann (Germany), October 2018
4. [Project Society in the Making \(Managing and Working in Project Society\)](#), Series article by Prof Tim Brady (UK) and Prof Rolf Lundin (Sweden), December 2018
5. [The Benefits of the Earned Benefit Framework: Counteracting the Common Causes of "Project" Failure \(Applying Earned Benefits Management\)](#), Series article by Crispin (Kik) Piney (France), December 2018
6. [Developing a Culture of Partnership between Project Management and Change Management \(Advances in Project Management\)](#), Series article by Gabrielle O'Donovan (Ireland), January 2018
7. [Overcoming Fear of Failure \(Risk Doctor Briefing\)](#), Series article by Dr. David Hillson (UK), December 2018

According to PMWJ Managing Editor David Pells, “Some articles are very substantial, equal in length and quality to research papers. Some authors, for example some of our series authors, created multiple articles that could have qualified for an award. We decided to limit the awards to one per author, however. So if you like an award-winning article, visit the author’s showcase in the PM World Library to read other works by that author. Spread the word; we have some outstanding authors.”

Registered with the US Library of Congress (ISSN 2330-4480) and indexed by EBSCO, the **PM World Journal (PMWJ)** is a web-based monthly publication featuring dozens of articles, papers and other works about projects and project management around the world. The PMWJ is produced and maintained by PM World which also operates the **PM World Library (PMWL)**, a global resource for continuous learning in programme and project management.
