Project Management Virtual Events in Spain at the Current Situation

By June 2020, the PMI Madrid Spain Chapter organized a couple of virtual events. Those events served to maintain the Spanish project management spirit alive in our community. Susana Moreno (current PMI Madrid Spain Chapter President) and her Board of Directors joined their forces to make those events happen.

Most of Project Management professionals missed the interactive and face-to-face communication, impossible now during the pandemic. The difficulty to communicate interactively among other professionals about the projects we are managing now or about the new initiatives (future projects) that we are considering in this new paradigm we are facing. Two virtual events were delivered at the moment, an open forum and a virtual coffee (interview) between the current PMI Madrid Chapter president (Susana Moreno) and Alfonso
