### Discoveries Through Personal Agility

*New book by Sivaraman and Raczka personalizes Agile*

6 August 2020 – Poland, Singapore, USA – Business Expert Press has published a new book by Raji Sivaraman and Michal Raczka titled “**Discoveries Through Personal Agility**.” Sivaraman and Raczka have previously published works in the *PM World Journal*, winning an Editor’s Choice Award in 2017 for their paper titled “[Increasing Business Agility through Organizational Restructuring and Transformation.](#)”

According to the book’s introduction, “This book explores the nuances of different aspects of agility on a personal level. Agility brings personal value, leadership navigation, managing the tides of knowledge, and putting on the captain’s hat of resilience. As the winds change and the tides swell high, the Personal Agility Lighthouse (PALH™) model in this book will guide you to safe shores. Navigating through the seven colors of agility such as education, change, emotional, political, cerebral, learning, and outcomes agilities, the anchor is dropped effortlessly. It is built on these seven competencies, and by using the Individual Personal Agility self-analysis assessment (see Appendix), swaying personal visions leading them up to organizational goals.

Taking personal agility as the future competency with an agile mind-set is a crucial starting point to transform yourself. Focusing your personal agility journey on outcomes and end-to-end customer experiences ensures value delivery. Especially within the elements of the VUCA environment where revised goals are the norm...”
