## **28 new works added to PM World Library**

### ***PM World Collection grows to 3,957 project management articles, papers & other works by 1,635 authors in more than 70 countries***

10 May 2021– Dallas, London, Sydney – PM World has announced that 28 new articles, papers and other original works about program and project management have been added to the PM World Library (PMWL) this month. These contributions by 34 different authors representing 16 different countries were published in the May 2021 edition of the *PM World Journal* (PMWJ) at <https://peworldjournal.com/>. They can now be found among the most recent papers, articles and book reviews on the PMWL home page at <https://peworldlibrary.net/>.

The new additions bring the total in the PM World Collection to 3,957 original works by 1,635 different authors in 70+ countries. The collection is growing each month by an average of 30+ new works from many different authors; of the 34 authors this month, nine were new to the journal and library. Profiles of all authors in the library, along with access to their works, can be found at <http://peworldlibrary.net/author-showcase/>.

According to PMWJ Editor David Pells, “This edition contains nine outstanding featured papers covering basic subjects such as cost estimating as well as some very current topics such as AI, complexity and value management. Two important papers related to development projects are also included by professors Ronald Kwena in Rwanda and Isaac Abuya in Kenya. Both papers break new ground so please read them.”

New authors this month include Obioma Anyanawu(Nigeria), Idongesit Bassey (Nigeria), Jean Couillard (Canada), Effiong Ekanem (Nigeria), Serge Garon (Canada), Ronald Kwena (Rwanda), Adeniran Lashinde (Nigeria), Marco Pirozzi (Italy) and Srinivasan Radhakrishnan (USA). New works from 25 authors already included in the library were also added.

“The four series articles are also great this month, including the guest article by the ever popular Peter Taylor,” Pells adds. “Alan Stretton has authored two must-read works this month. The advisory article, reports and second editions add to another worthwhile edition. I hope readers will agree.”

The **PM World Library** is a global resource for continuous learning in program and project management. The PMWL is produced and maintained by PM World, Inc. which also produces the monthly *PM World Journal* (ISSN: 2330-4480), a free monthly online publication featuring dozens of articles, papers and stories about projects and project management around the world.
