GAPPS next Thought Leadership Forum 22nd & 23rd June 2021

5 June 2021 – Australia, South Africa, USA – The Global Alliance for the Project Professions (GAPPS) will hold their next Thought Leadership Forum virtually during 22-23 June 2021. Details are below.

Event description

22nd & 23rd June 2021 - two sessions each day

- [Chris Lawler](#) and [Natalie Smith](#) will present live at Session 1 on 22nd June.
- [Christian Rudischer](#) will present live at Session 2 on 22nd June.

A recording of these sessions will be available and discussed on Day 2 at both sessions.

GAPPS raises income to cover administration costs (of our website, Australian Government fees etc...) from ticket sales for our face-to-face events.

As we are currently unable to hold in-person events, we are asking for a contribution of \$10AUD per ticket at this online TLF, to support our ongoing administration costs during this pandemic. We are appreciative of your financial support of GAPPS.

Thought Leadership Forum #51

Projects, Boards, and Getting Stuff Done

Get involved!

22nd – 23rd June 2021, Online

GAPPS will be holding its next **Thought Leadership Forum** on **22nd and 23rd June 2021 AEST online via Zoom**, with sessions held at various times to allow attendance across time zones.

The main themes will be:

- **Projects and Boards** – What do Boards need to know and ask about projects? Should project people be on Boards? Project governance structures – report from PM Goes Boardroom
- **Getting Stuff Done** – continuing our work on this fresh look at what really needs to be done in projects
- **PPPM Standards – Update & Mapping** – subject to numbers & interest

Join us to:

- Network with like-minded project professionals
- Keep up to date with latest developments and thinking in the field
- Share knowledge and ideas, gain insights and practical takeaways
- Make a difference

Projects and Boards

Chris Lawler

Christian Rudischer

Natalie Smith

Chris Lawler and Natalie Smith are experienced project practitioners who are currently researching the relationship between Projects and Boards. They will share their ideas and facilitate a discussion about how you and GAPPS can contribute to greater understanding and visibility of projects at Board level in organisations.

Christian Rudischer will present results of a Survey by the PM Goes Boardroom SIG, a SIG of German speaking IPMA Members.

Workstreams

Getting Stuff Done

When GAPPS looked at reviewing its Project Manager Standards, they decided it was time to completely re-think the competencies required to Get Stuff Done in workplaces where pressures and expectations are considerably different from those in which the current mainstream standards for project management were developed. Good work has been done to date – join us to make further progress.

PPPM Standards – Update & Mapping

Standards for PPPM are evolving. Learn what is happening in PPPM standards development and contribute to the GAPPS comparative mapping of global standards and qualifications.
